

## DIGNITY CIRCLE PARTNERSHIP PROGRAM

**THROUGH THE POWER OF DESIGN**, DESIGNS FOR DIGNITY (D4D) has created healing spaces for more than 200 facilities managed by our nonprofit partners in the greater Chicago area over the past decade. We have redeployed thousands of material donations, furnishings and finishes. More importantly, **WE HAVE IMPACTED THE LIVES OF THE MORE THAN 100,000 INDIVIDUALS** served by our nonprofit partners.

Partners like you help to ensure that D4D will continue its life changing mission: EMPOWERING LIVES THROUGH DESIGN. We invite you to join with us and become a D4D Dignity Circle partner.

We work to heal by design. Our mission is to engage the design community and all of its resources to respond to this need. Working with hundreds of designers, manufacturers and building managers, DESIGNS FOR DIGNITY has harnessed the excess from the industry and united the design community for the common goal of Chicago nonprofits live and work.

Becoming a Dignity Circle partner is easy. Simply complete the form below and a member of DESIGNS FOR DIGNITY will coordinate your payment details. We look forward to having you as part of this important circle of dedicated supporters and advocates.
